BFA Young Members Award Scheme

EST. 2014 in the 20th Anniversary Year

Introduced in 2005, the BFA Junior Handler Awards have traditionally been an annual competition with two age groups and trophies awarded to third place. The new Young Members Award Scheme will reward all participants with a milestone award scheme for all members aged 7 to 18.

Points are earned in all aspects of Flyball including contribution to team, ring party duties and racing; these young people may become the qualified judges of the future with an all-round in-depth knowledge of the sport.

The awards seek to take the names from previous successful juniors who have achieved 1st place in the Annual Competition along with a precious metal or gemstone, as follows: No two awards will have the same surname.

All young members performing ring party duties or divisional judging must be mentored whilst learning the roles undertaken, where possible young members should attend a ring party training seminar in their region. **Team Captains must assure themselves that the young member is competent to undertake ring party roles or provide appropriate supervision.**

Forms to record the dates, tournament details, tasks completed, signatures and points earned are available from the BFA Awards Co-ordinator upon registration for the scheme and should be retained by the young member.

Milestone Awards can be claimed by the young person using the Points Record Form and providing copies of the logged experience. The Points Record Form should be signed as correct by the parent or guardian and countersigned by the Team Captain. Copies of the completed form should be submitted to the BFA Awards Co-ordinator.
