Measuring Officials (MOs)

After completing the days measurement, the MO must sign the form in the designated area.

Use **one line per dog.**

Insert the **final height measurement** in the final column.

Write the number of the MO who performed the measurement in the corresponding box.

If the MO is part of the same team as the dog being measured, tick the box provided.

Most mobile phones have a scanning feature. To ensure a clear image:

Follow the scanning instructions or take a well-lit photo.

Send the scanned or photographed form to: **heightcard@bfa.email**

Only measurements recorded on official paperwork will be entered into the height database and count towards an official height.
