

British Flyball Association

Minutes of the Annual General Meeting

Held on Sunday 1st April 2007 at Wythall Community Hall, Birmingham.

1. The Chairman opened the Meeting at 10.25hrs, welcomed those present (103 in number) and thanked everyone for coming.
2. **Apologies** - were received from Wayne & Alison O' Rourke, Theresa Chamberlain, Graham & Pam Nye, Alison Booth, Nigel Bouckley.
3. **Minutes of last AGM – 2nd April 2006** - copies had been distributed to all Team Captains, Head Judges, Regional Representatives and Officers with the revised copy of the BFA Rules and Policies, and had been made available on the Website for all other interested parties at that time. They were therefore approved as a true record without a further reading.

Proposed by: Val Currie

Seconded by: Maria Brennan

Reports were then presented for 2006/2007 by:

The Chairman: Chris Fulford

May I extend a warm welcome from the BFA Committee to all members attending today's meeting.

Today's meeting sees some very contentious issues being discussed, and I sincerely hope we can come to some sensible decisions on issues that will shape our association for years to come. Please consider each proposal carefully and judge whether that proposal will benefit the association in future years before casting your vote either way. It really doesn't matter who the proposer is, it's the content and benefits of the proposal that matters.

Today's AGM as with all other AGM's past are only made possible by the hard work and dedication of BFA Committees and officers, this year is no exception. Firstly I must thank Penny for not only organising this meeting and all committee meeting this year, but also, this year has had to organise at the same time, a postal election for committee members, a huge task.

My thanks also go to all the present committee and all BFA officers who spend a disproportionate amount of their spare time working for us all. Special thanks go to two retiring committee members this year, Wayne and Anne. Not only for their contributions to the committee but also there contributions to flyball over many years.

I would also like to mention a couple of people who have given outstanding service to the membership this year. Firstly to Suzzanne who has taken on the stats on her own now. What a job she's done, all those shows in the summer and thousands upon thousands of results and points she has added to the database. I would also like to thank Graham for the meticulous way he has kept all the membership records and on a personal note for all the help yesterday in calculating the votes cast in this years committee elections.

One last thing I should mention is the Summer Championship. Last years event had its problems, nobody should be under the illusion that we could carry on in the same way as always. Therefore the committee have decided that this years event will be organised by a single team under the BFA banner, franchised out if you like. If this works well, and I'm sure it will, hopefully next year we will be able to use a larger venue and open the championships up to all teams, whatever their standing on the seed list.

Secretary's report: Penny Charlton.

I can't believe its this time of year again, it doesn't seem that long ago we had our last AGM meeting. Anyway, having spent another year as Secretary, I would firstly like to thank you all for attending today's meeting.

The committee have met four times between the last AGM and the 4th March 2007, this is not including the numerous discussions that take place at shows around the country, between any committee members that have been present. Any problems that arose between meetings were dealt with by e-mail contact. A revised copy of the BFA rules and policies were emailed to all Team Captains, Regional Reps, Head Judges and all other Officers. They were also posted onto the website together with a copy of the 2006 AGM minutes.

Val Currie editor of the Flyball record has compiled another four issues. The committee would like to thank her for all her hard work, and I am sure you will agree she has done a great job.

The BFA has enjoyed another successful year with great racing and competitions and the diary is already very full especially for the summer months. The Committee wish to thank all show organisers for their hard work making these shows possible.

The Committee hosted the summer championships again last year. Due to many more teams doing the required number of shows to qualify for this event, it was opened up to 66 teams, with a total of 11 divisions competing over the two days. We had some excellent racing within all divisions and these were only split by up to half a second in seeded times.

The European Championships, which is being held at Loseley Park, Guildford, at the end of May, has had a good response so far, especially from British teams.

The BFA membership has increased in numbers from this time last year and I would firstly like to thank Graham, as the membership secretary. Unfortunately he is unable to attend today, but I am sure you will all agree a big thank you should be sent to him from the association for dealing with all the membership renewals and for keeping all records up to date through out the year. This obviously takes up some considerable amount of time especially at this time of year when all the renewals are due by the beginning of April

As a result of the decision to remove the one-month's grace from this year's renewal process, the task of processing all the relevant paperwork is nearing completion. The number of members who have renewed or joined from 1st April 2007 currently stands at 1141 (against 729 on the 2nd April last year) With the potential for another 360 (against 589) to come, it is possible that we will reach a total of 1501 (against 1318) – once again our highest ever! The List of those Teams wishing to receive Tournament Schedules has now been discontinued, as these documents are now available from the Diary section of the Website.

In the 12 months ending 31st March 2007 we attracted 483 new members (last year 376) and 13 new Primary Teams (last year 13). At that date total membership stood at 1501.

I would finally like to thank all members of the committee and to Nigel Bouckley as Webmaster, who have helped and supported me in keeping the BFA Administration running as smoothly as possible for another year. I would like to thank Anne Alcock for keeping all the Associations finances up to date and Judy for all her hard work helping show organisers plan their shows. I would also especially like to thank Suzzanne as our Stats officer; I hope you will agree she has done an amazing job. All these jobs are very time consuming and without these volunteers the BFA could not function as it does today.

Although the Committee is made up of 9 members, each with differing views, we have in the main had a good working relationship over this past year and have seen fewer problems occurring.

Treasurer's Report: Anne Alcock

INCOME – In every category this has increased with by almost 25% on the previous year. Our surplus (income over expenditure) has increased by two thirds & our Bank balance is up 40%

a) Subscriptions: Included individual, team renewal & Primary team registrations. From last year our subscription income increased by 17%.

b) Included Show income, Summer Championships & Lights Hire: Bookings for shows gave us a two-thirds increase. In the last 12 months-there were 104 show bookings, covering a period from 2006-2008. 15% of BFA teams hosted shows last year which on average means each team will do 2 or 3 shows a year. Show registrations, which is paid by show organisers @ £2 per team (less £10 deposit paid when the show was booked) went up by a third. 86 shows (inc Multibreed and indoors) took place last year Per show the income was on average £48. For the larger show the revenue was nearer £100

Summer Championships. - Increased a little due to additional entries and camping

Lights. - As shows have increased so this also went up a quarter more than in the previous year. This equates to about 10 more occasions when lights were hired.

c) Other income also increased overall. This includes sundries (which mostly comprised of fines for late show registration payments); Donations (which vary annually and is where small sums that don't fit anywhere else is added) and Training Income.

EXPENDITURE - Only a few items increased last year from the previous one but overall there was an 18% increase – This was in the main because of the purchase of new lights & increased costs of trophies & the printing and distribution of the Flyball Record.

The first group of expenses covered administration, cost of running AGM's & meetings, our website and Committee costs. Overall the costs for these was almost a 1/3 rd lower than for 2005

Events/AGM was the only increase from last year, with all the others in this section

Having decreased i.e....Postage, Stationary & telephone costs was almost one-third reduction, the cost of Committee business decreased slightly, because of having less meetings and the Website was a quarter less.

The next group of expenditure covered Equipment, Lights, Summer Championships & Trophies

Equipment/Championships costs - were up by almost 60%

Trophies etc is the one area where there has been a big increase - by almost a quarter –

We spent £810 more which equates to around an extra 25 trophies on the previous year.

Looking ahead with the new points system introduced from January, will probably mean Trophies will increase sharply this coming year.

Otherwise-

Equipment cost us a lot less as fewer items were bought than last year. The bulk of the increase was due to purchase of 2 new sets of lights

Summer Championships costs appears to have increased but part of this is an early booking for the European Championships. Without this the cost is very similar to last year

The final group of expenditure are Other expenses (Flyball Record, Insurances, Training etc) which overall are up ¼ from last year. The main reason for this is because of increased costs of the Flyball record which is up a third from the previous year. This includes printing & distribution costs. Each quarterly issue costs us an extra £120. Postage especially can be extremely high in winter when there are fewer shows. Many associations are going over to electronic editions and as you know we are offering this to members for the coming year -This should cut down costs but won't prevent individuals still being able to get a hard copy as before.

Insurance: even though I increased cover for the new lights this has reduced for the second year in a row. Training is much less because of the timing of the courses overlapped last year and this.

The expenses will appear in next year's accounts. Because of using sports halls training will continue to increase. Maybe it would be a good idea to investigate less costly venues for future.

Sundry. Included refunds on overpaid fees.

ASSETS belonging to the BFA. The value of these is currently just over £8000

The insurance value is £5000

Treasurers Report continued

CONSIDERING THE FUTURE: As we have seen - our show income has increased by a 1/3rd. As we can expect to continue to gain more members that income should continue to increase year by year. As more teams put on their own shows, income from these is also likely to increase annually. More shows mean that lights will be needed more and so on.

Expenditure may well be similar to this year. We could consider purchasing another set of lights and we will be spending out more to run the Euros. The costs of running Judging Courses and Training for Team captains is likely to increase because of the need to use sports halls (where costs increase annually). In order to break even the costs charged per member needs to be carefully worked out. It would be a good idea to investigate less costly venues so members are not discouraged from attending.

This year we could investigate the possibility of placing some of our surplus funds in an account, which gains a bit of interest. The floats (for Flyball record etc) may well need to be increased this coming year.

Webmaster: Nigel Bouckley

Chris read a report in Nigel's absence

Another year has come around so quick, with hardly a moment to breathe.....

The website "assistants" for those of you that don't know they are the real people who input all the lovely data and information to keep the website current, have had a stunning year with more information inputted, more often than any year before by far, so a big thanks to Penny, Suzanne, Judy, Val and Tony.

As promised last year, the website statistical information has been published on the BFA's online discussion board, so there is no reason for me to dwell to long on this subject, suffice to say that the website use seems to remain pretty constant throughout the year, with the busy areas being the diary, discussion lists and of course the pages and pages of Team, Dog and Awards data.

This year has seen an increase in "spammer" endeavouring to corrupt the BFA website, but a lot of work has been undertaken ensuring submitted information to the BFA website is vetted prior to being made public, this has been an ongoing development with Penny undertaking a large proportion of the verification process, which is a credit to her as she is already an extremely busy BFA official. Over the next 12 months there will be some more subtle changes to ensure the clean, crisp image of the BFA website is maintained.

Coupled with the increase in "back end security" it was also decided to remove non-essential address information from the BFA website, namely officials and regional representatives addresses, although all those concerned can still be contacted by phone, email or both, and that information remains public.

Tony has done a splendid job throughout the year updating the rule change history, although with some of the points on this year's agenda, I feel he may have another busy year! Well done and thank you.

The Flyball History page started with a surge but has fallen silent of late, perhaps even some of the newer teams would like to add there own stories, as this will be an ongoing archive, not just for now, but for future flyballers to reflect on too, check out the online pages for the appropriate pages.

Another area to take off this year is Flyball teams linking directly with BFA Team and Dog data on their own websites, this too is encouraged for all teams, as the BFA website is not only the BFA's shop front to the world, but also an online resource for BFA information and data, if you need assistance, please feel free to email me.

It has once again been my pleasure maintaining the BFA website and reading and listening to all your comments and suggestions, so please keep them coming.

And finally, I apologise for not being able to attend this AGM, however my thoughts are with you all during the forthcoming discussions.

4. Proposals - All proposals were discussed, amended as necessary and voted upon as follows

4.1 SECTION 1- Constitution and Officers

4.1.1 Rule 1.1 Name and Objective. Proposaed by Dave Long – **(Delete)** as instigated by the North American (NAFA). Continue with original rule.

CARRIED

4.1.2 Rule 1.3 (c) Committee and Officers. Proposed by Penny Charlton, Chris Fulford, Wayne O' Rourke, Judy Parker, Anne Johnson, Tony Cain. – **(Delete)** Election of Committee members shall take place at the Annual General Meeting following a postal ballot of the membership from nominations submitted.

DEFEATED

4.1.3 Rules 1.3 (c) Committee and Officers. Proposed by Anne Alcock & Steve Leek

For Rules 1.3 (c) & 2 (a ii), to be taken in conjunction with one another

Amend to read - No committee member shall remain on the Committee for more than two years without re-election. At each AGM half the Committee members (rounded down where the Committee is made of an uneven number) shall retire. **These members together with any other nominations received will be eligible for election to the Committee. Committee members shall then be decided by a postal ballot of the whole membership. Nominations for this alone must be received in writing (*60 days or by 1st February) before the AGM. After the closing date for Committee nominations and before the 30-day limit for other nominations, the votes shall be counted, so the Committee for the forthcoming year can be announced at the AGM.**

SECTION 2. – GENERAL MEETINGS

(a) iii **Any nomination must be proposed in writing to the Secretary by a current BFA member and seconded by at least one other current member. For Committee nominations this must be received (*60 days by 1st February each year) and for Rules amendments 30 days before the date of the AGM**

ii The results of the postal ballot for the Committee elections will be counted prior to the AGM (following the postal ballot for Committee elections). As soon as possible after 1st April (or on that date itself if it is the AGM) the voting slips will be checked against the current membership list and any non-member votes will be removed from the ballot before the results are announced at the meeting.

The rest to stay the same incremented by one e.g. iv To vote on rule changes etc... v Approve appointmentsvi Discuss any other business...

CARRIED

Proposals Continued

4.1.4 Rule 1.3 (f) Committee and Officers. Proposed by Betty Potts – Delete this section and replace with:

Amend to read – All rule changes shall be put to the full membership by postal vote annually and come into force on the same day each year. The decision shall be made by a majority of the membership replying on the due date. The voting papers shall be sent out by computer. Members without computer facilities shall be required to send a stamped addressed envelope to the secretary in advance. The counting should be carried out by 6 none committee members from different teams.

DEFEATED

5.1 SECTION 2 GENERAL MEETINGS

5.1.1 Rule 2.3 Voting. Proposed by Howard Campbell – **Amend to read** – In general those current BFA members present at the AGM will decide all **(delete items) (ADD) proposals** that require a vote. All members should be actively encouraged to attend such meetings.

However, if in the opinion of the Committee, **(delete an item in question) (ADD) a proposal** is considered of sufficient importance that it should be decided by the whole membership, the Committee reserve the right to hold a postal vote of ALL current BFA members. **(ADD) except where the proposal has already been voted upon at the AGM.**

CARRIED

Howard Campbell retracted this section – A proposal that has been to a postal vote cannot be resurrected for a period of three years.

6.1 SECTION 3 DISCIPLINE

6.1.1 Rule 3.5 (d) Disciplinary Procedure Proposed by BFA Committee –

Amend to read – The DSC will then consider the misconduct charge(s) and either uphold or dismiss them. If the DSC upholds the charge(s) against a member or members, they shall be empowered to suspend from membership any member or member(s) found guilty of misconduct for an appropriate length of time. **(ADD) Suspension may include a ban from entering the Flyball ring, attending and/or participating in any BFA Flyball activity.** In considering the length of suspension, the DSC shall have regard to the member's record and in particular any previous findings of misconduct. **(ADD) Consideration must be given to the member's status within the association and their own individual team, and must reflect the member's activity within that team and the effect such sanction will have on that member. e.g. is the member a team captain and /or runs a number of dogs, conversely is the member involved in the organisation of their team but does not actually run a dog. The DSC in determining the ultimate sanction shall also take into account any possible mitigating circumstances, whilst having regard at all times to the BFA Code of Ethics.**

Proposals Continued

7.1 SECTION 4. - SANCTIONED COMPETITION

7.1.1 Rule 4.5 Seeding. Proposed by Anne Alcock --

Seeding times for a tournament will be based on the fastest average * time recorded by a team during their last 3 sanctioned events and a seed list will be supplied from the latest available on the 14th day before the tournament date.

All other references of '**seeding time**' in any of the racing rules instead to be replaced by 'average seeding time'

Note (below) to be added: -

***Average seeding time would be worked out (by Records & Statistics Officers) following each show and would be taken from the best (5) times achieved that day by each team, totalled up and divided by that number to get the average time per team.**

If agreed in principle it would need to be decided how many times would be best for averaging. It shouldn't include all times for the day, as running 5th dogs etc would give an unrealistic result.

DEFEATED

8.1 SECTION 5 RULES FOR COMPETITION

8.1.1 Rule 5.2 (g) Proposed by Betty Potts – **(Delete this rule)** If a Starters Competition is run, dogs entered must be a minimum of 12 months old.

DEFEATED

It was advised that the committee look into the wording regarding starters

8.1.2 Rule 5.9 Balls. Proposed by BFA Committee – **Amend to read** – Each team shall have its own supply of un-punctured, regulation tennis balls (any colour) **Add (that should easily be distinguishable when being carried by a dog, to a judge officiating a race).**

CARRIED

8.1.3 Rule 5.12 (b) Jumps. Proposal by Neil Meeking –**Amend to read** - The top slat of the jumps are to be flexible/breakable AND protected at the front, top & back with foam e.g.15mm x 25mm water pipe insulation.

CARRIED

8.1.4 Rule 5.17 (b) Rules of Racing. Proposed by Peter Roberts – **Amend to read** – Early passes will be indicated by the line judge and the dog will be required to run again after the other dogs have run. **DOGS THAT ARE FAULTED FOR ANY REASON MUST BE RE RUN IN THE ORDER THAT THEY WERE FAULTED.**

CARRIED

Proposals Continued

8.1.5 Rule 5.17 Rules of Racing. Proposed by Val Currie – **Amend to read** – Wherever possible dogs should have all four feet on the ground. At no time should they be dragged around suspended by their collar or harness with their feet off the ground

CARRIED

8.1.6 Rules of Racing 5.17 Proposed by Val Currie – Amend to read – A collar and/or a close fitting harness may be worn. There should not be any hanging parts that are liable to flap around when dogs are racing.

Wording to be confirmed by the Committee

CARRIED

8.1.7 Rules of Racing 5.17 (k) Proposal by Betty Potts -- **Break-outs** To read A team running more then 1 second faster than its submitted time will be declared.....

WITHDRAWN

The Committee agreed this would be discussed again at their next meeting.

9.1 SECTION 8 – ANNUAL AWARDS

9.1.1 Proposed by BFA Committee - **The committee agreed that the annual awards, which were originally instigated when the association was first formed, needed to change. If these proposals are agreed upon at the AGM, the Committee would like to finalise the wording and take into account any suggestions that may come from this discussion by the members present.**

BFA Dog, Bitch, BC, Crossbreed, Best of the rest dog of the year – The dog or breed of dog that has competed within a team which has run on average the fastest times in a year. This would need to be calculated on an average basis depending on the number of shows attended. All teams must have competed in at least ten shows in a year to be eligible for this award.

BFA Team of the year – The team that has run on average the fastest times in a year. Each teams fastest times are taken at each show to find their fastest average time. This would need to be calculated on an average basis depending on the number of shows attended. All teams must have competed in at least ten shows in a year to be eligible for this award.

Multi breed team of the year -- to be run the same as Team of the year.

Multi breed dog of the year -- to run the same as Dog of the year.

BFA Special award – This award to go to the team that hosts the most tournaments, has the most head judges and has the most number of teams entering ten or more shows. (Any two-day indoor show to be calculated as one show not two as is done now.)

Claire Gristwood -- to be awarded to the JR that has competed in a team with the most number of wins. This also to be run on an average basis of the number of shows entered.

Junior handler -- remain the same

WITHDRAWN

The consensus at this meeting was the majority felt there was a need to change the annual awards and asked the Committee to look into an alternative solution

Proposals Continued

10.1.1 New Rule. Proposed by Penny Charlton – If at any time a tournament has a late withdrawal and the Tournament Organiser has already finished the paper work for that show. I would like to see, that at no time, teams are allowed to run against an empty lane. (Wording to be confirmed by the committee).

DEFEATED

11.1.1 New Rule: Proposed by BFA Committee – If tournament organisers want to change what has been the normal layout of the Flyball ring for many years, these changes must be put in writing to the BFA secretary in advance for their approval before implementing these changes.

CARRIED

12.1.1 New Rule. Proposed by Dave Long – **Amend to read** – At a tournament where the race surface is anything other than grass, if a dog relieves itself in the ring whilst a heat is in progress, the team will forfeit that heat. If this occurs before a heat has started, the team will forfeit the next heat.

DEFEATED

13.1.1 New Rule. Proposed by Valerie Rothlisberger – Jones –All dogs, the dogs owners and dogs handlers competing in Starters competitions on the same showground and at the same time as Sanctioned tournaments must be registered with the BFA before they can compete.

DEFEATED

Any Other Business

14.1.1 Tournament Entry Fees

The Committee would like the members present to consider whether they would like the new Committee to look into setting a maximum limit on tournament fees. This limit would of course be reviewed annually.

This was agreed to leave it up to the discretion of tournament organisers

15. Election of the BFA Committee - Having been elected to the Committee at the last AGM, the following current members have expressed a willingness to remain on the Committee for a further year:

Chris Fulford (Bad Dog Racers)

Tony Cain (Cheshire Set)

Judy Parker (Molten Magnets)

Steve Leek (Dolphins)

Two members have decided to retire and are not seeking re-election

Wayne O'Rourke (Maple Leafs)

Anne Johnson (Wolf Pack)

The nominations for the remaining **FIVE** places on the Committee were as follows

Anne Alcock (Live Wires) seeking re-election -- ELECTED

Howard Campbell (Greetland Grasshoppers) seeking re-election -- ELECTED
