THE SPRIT OF FLYBALL AWARD

The BFA is an amazing community and we often don't take enough time to appreciate the incredible people that make it what it is. Just pause for a moment, take a step back and have a look; the BFA is a quite remarkable manifestation of community, friendship and support and it is truly amazing that such a large, sophisticated national organisation exists and functions entirely on the goodwill and cohesion of its own members.

So, for this year's Championships, the BFA Committee would like to encourage all our members to take the time to look at who makes up their flyball community and appreciate the energy, pride and positivity that exists all around them. We are excited to introduce two new awards, one for each of the Championships, that will capture the essence of flyball and what makes it such a special sport. The fastest dogs, and the most competitive teams will be rewarded with rosettes and trophies, but this is only a part of what the BFA is all about. The new Spirit of Flyball Awards will now also recognise sporting behaviour, inclusivity, friendship, encouragement and fun.

We would like you to watch what is going on around you and celebrate the best of the BFA by nominating people, either as an individual, a group or a team, who have made you smile, made your day, or made you appreciate the diverse flyball family you compete with, drink with, laugh with week in week out. If you see something that sums up the spirit of flyball to you, please take the time to fill out one of the nomination forms either from the back of this Welcome Pack or at Admin, telling us what, who, where and when, and put in the ballot box at Champs Admin. The act that best captures the true Spirit of Flyball will be recognised with the presentation of an amazing new award which we hope will become a big feature of this year's Championships and all our Championships to come.
